

JOHN CARLOS BONGIATAN

WEBDEVELOPER

ABOUT MYSELF

A seasoned professional with a passion for both web development and video editing. With five years of dedicated experience in web development, I specialize in leveraging the power of Laravel to create dynamic and efficient web applications. Additionally, I bring two years of expertise in video editing, showcasing my proficiency in Adobe Premiere Pro.

Throughout my career, I have honed my skills in crafting seamless and visually appealing online experiences. My commitment to staying abreast of the latest industry trends and technologies ensures that I can deliver high-quality results in both web development and video editing.

I am excited about the prospect of contributing my skills and creativity to innovative projects, and I am confident in my ability to bring a unique and valuable perspective to any team.
